**Re: United States ex rel. Raffington v. Bon Secours, et al.,
Case No. 10-cv-9650 (RMB)(GWG)**

Dear Judge Gorenstein,

Relator June Raffington and Defendants Bon Secours Health System, Inc., Bon Secours New York Health System, and Schervier Long Term Home Health Care Program (collectively, the “Parties”) jointly submit this letter requesting a stay of the briefing schedule set forth in Your Honor’s March 29, 2023 Order (Dkt. No. 571).

The Parties have conferred and believe that they should explore a potential settlement of this matter. Accordingly, the parties are pursuing a private mediation. In order to facilitate that process, they jointly request that the Court enter an order indefinitely staying the May 19, 2023 deadline for motions for summary judgement. The Parties further propose that they file a joint status report with the Court no later than September 6, 2023 informing the Court if they believe that further time is necessary to complete the mediation process or if summary judgment briefing should resume. If the Parties intend to proceed with motions for summary judgment, they will propose a schedule for such briefing in the joint status report.

Respectfully submitted,

Danielle Vrabie/DTF
